DISTRICT PERFORMANCE-BASED COMPENSATION

(Subject to Bargaining)

Effective July 01, 2014, the Parties agree that teachers / certificated personnel represented in this (CFEA-CCPS) agreement, who receive evaluation-ratings of EFFECTIVE or HIGHLY EFFECTIVE, may receive compensation adjustments, based in statutory law (F.S. 1012.22 and 1012.34).

An EFFECTIVE evaluation shall be one that, after the weighted factors are added, falls in the 2.500-3.499 range on a 4.000 scale.

A HIGHLY EFFECTIVE evaluation shall be one that, after the weighted factors are added, fall in the 3.500 to 4.000 range on a 4.000 scale.

(For more information about how EFFECTIVE and HIGHLY EFFECTIVE ratings are determined, the reader should refer to the PACE (EVALUATION) section of this document.)

Teachers who have had continuing service in the District, prior to July 01, 2014, may elect to remain on the District’s previous (or “grandfathered”) schedule for teacher compensation OR they may elect to join employees, hired on or after July 01, 2014, on the performance-based schedule.

Under the Statute, when any salary adjustment occurs, specific adjustments for effective and highly effective teachers must be given: specific limits and proportions of these adjustments are defined by statute.

Factors	Value	Notes
1. effective	.5-.75	
2. highly effective	1.00	
3. non-performance adjustment Cost of Living Allowance (COLA)	≤ 0.0-.375	

As of this agreement, the grandfathered schedule and the performance-based schedule, named separately, are identical in their content. For purposes of migrating employees from the grandfathered schedule to the performance-based schedule, employees will retain their hourly rates from grandfathered schedule. Any future variance in that rate, once the teacher is on the performance-based schedule, will be specific to that employee over time, based upon compensation adjustments, as defined in the Statutes.

Any performance-based adjustments to employee compensation shall be subject to collective bargaining between the Parties. The District has been bereft of any revenue to commit to teacher pay increases in the 2015-2016 school year. Should the District be in a fiscal condition that allows for compensation increases for its teachers, teacher compensation adjustments shall be formulated according statutory provisions.

The grandfathered schedule shall be available to employees whose service precedes July 01, 2014, subjects to the limitations inherent in Florida Statutes. A grandfathered employee who moves to the performance-based schedule may do so at any time, provided she / he understands that return to the grandfathered schedule may not occur. A teacher hired after July 01, 2014, is automatically assigned to the performance-based schedule.

CHARLOTTE COUNTY SCHOOL DISTRICT
DIFFERENTIATED PAY PLAN
(Subject to Bargaining)

In accordance with Florida Statute 1012.22 (1) (c) (4), beginning with the 2016-17 academic school year, the Charlotte County School Board and the Charlotte FEA agree to the following differentiated pay for instructional personnel represented by CFEA. The Differentiated Pay Plan shall be included as part of the salary schedule as required by FS 1012.22 and is subject to negotiations as provided in the collective bargaining law Florida Statute 447. The Differentiated Pay is based on factors including, but not limited to, school demographics (Title I), assignment to a low-performing school, critical shortage areas, and additional responsibilities as agreed herein by the District and the CFEA.

DIFFERENTIATED PAY FOR TITLE I SCHOOLS

A specific supplement will be paid to teachers assigned to Title I eligible schools. The specific compensation amounts and eligible teaching assignments will be determined annually between the District and the CFEA

DIFFERENTIATED PAY FOR LOW-PERFORMING SCHOOLS

An incentive-based transfer of highly qualified teachers and principals shall apply to schools that receive a grade of “D” or “F” in the State of Florida’s School-Grades program. The steps in determining how such teachers and principals are identified and deployed and retained, and the specific compensation amounts and eligible teaching assignments will be determined annually between the District and the CFEA.

DIFFERENTIATED PAY FOR CRITICALTEACHER SHORTAGE AREAS

The Superintendent/designee and the CFEA president will annually review criteria by which the District will determine if a specific posting will be posted as a critical shortage position which may include areas as “difficult to staff” due to employee turnover rates. Should there be any funds available, the District and the Union will negotiate to distribute the funds to the teachers that hold a certificate in one of these areas and currently teach subject listed on certificate.

DIFFERENTIATED PAY FOR ADDITIONAL ACADEMIC RESPONSIBILITIES

Supplements for designated additional academic responsibilities shall be outlined in a supplement schedule that shall be determined annually between the District and the CFEA.
