

Automatic Reimbursement Waiver/Election Change Form

If you elected a Health Flexible Spending Account (FSA) and are also participating in the medical plan through UMR, you are automatically enrolled in Automatic Reimbursement. Under this option, out-of-pocket expenses, such as co-pays, deductibles and coinsurance will automatically be applied to your FSA. If you choose not to take advantage of this feature or would like to elect the Benny Card (prepaid benefits card), please complete this form and return to:
