Mission Statement

Parental Involvement Mission Statement (Optional)

Response: The PIP Mission for LES is to support the teaching and learning of all students through a strong home-school partnership so that students can successfully prepare for college and/or career.

Involvement of Parents

Describe how the school will involve parents in an organized, ongoing, and timely manner, in the planning, review, and improvement of Title I programs including involvement in the decisions regarding how funds for parental involvement will be used [Sections 1118(c)(3), 1114(b)(2), and 1118(a)(2)(B)].

Response: In August, LES asks for volunteers to participate as members of the Parent Involvement Planning Team (PIPT) for the school year. The broadbased group includes two parents, two teachers, a reading coach, a reading paraprofessional, a Title 1 Para, and an assistant principal. In May, the Team attends an all-day professional development workshop, offered by the District Title I Team. The topics include: parent involvement with regard to student achievement, including working with parents as supporters, advocates, teachers, and decisionmakers; building capacity through professional development for everyone; and engaging with community members to plan and implement substantive work to improve student achievement. Our PIPT also reviews and revises the current PIP. During the September 2014 School Advisory Council (SAC) meeting, PIP Team members will discuss highlights of the PIP 2014-2015 One-Year Action Plan and gain additional input from the SAC members. Beginning in fall 2014, the PIPT will meet monthly to review, revise, and evaluate Plan strategies. The PIPT will collaborate with the SAC and larger school community to implement strategies and make adjustments as needed. As members leave the Team, recruits will be acquired and trained to replace the outgoing members.
