CODE OF STUDENT CONDUCT

Superintendent's Message

Dear Students and Parents,

The *Code of Student Conduct* you are about to read is a very important document. It provides you with an understanding of the rights and responsibilities of all students, the rules relating to daily behavior, and the consequences for violation of those rules. It explains our expectations for student behavior and summarizes school district policies and Florida statutes that relate to student conduct. It is my firm belief that every student is responsible for his/her own behavior and the choices he/she makes.

Please know that the *Code of Student Conduct* applies uniformly to all students enrolled in our school system during the time school is in session, on School Board owned property at any time, at our bus stops, and during extra-curricular activities regardless of location. Charlotte Technical Center and The Academy may adopt policies and procedures, consistent with this document, which reflect the specific needs of its adult and alternative education populations. This code also applies to students who commit felonies off School Board owned property as per Florida statutes.

Having a clear understanding of these important policies and procedures will help students have an outstanding educational experience and will give parents information to reinforce good behavior.

Please read this document carefully and if you have any questions, contact the school or the Director of Student Services at our district office. Our staff is always available to help you with any question or concern.

Have a great year in the Charlotte County Public School system.

Sincerely,

Steve Dionisio
Superintendent of Schools

Level I

If the student believes that he/she has been discriminated against or harassed, he/she may file a complaint in writing or via a message which can be transcribed into writing within sixty (60) days of the alleged occurrence, with his/her principal or school counselor. The decision at this level is binding, but does not preclude the complainant from pursuing other legal methods of redress.

CHARLOTTE COUNTY PUBLIC SCHOOLS **STATEMENT ON CHEATING AND PLAGIARISM**

The School Board of Charlotte County strongly believes that academic honesty must be practiced by all its students. In accordance with the school district's mission to provide an innovative educational environment that allows and inspires success for everyone, it is incumbent on the Board to take an unwavering stand on academic integrity. Students are expected to act as responsible individuals, to conduct themselves with honesty and integrity both personally and academically, and to respect the rights of others. The School Board considers these standards to be essential to its academic mission.

Cheating is generally defined as the inappropriate and deliberate distribution or use of information, notes, materials, or work of another person in the completion of an academic exam, test or assignment which includes plagiarism. Plagiarism is the act of taking ideas or writings from another and offering them as one's own.

Cheating is wrong.

As students develop values through their school years, virtue and honor will be emphasized as the cornerstone to a prosperous, abundant career and personal life. Therefore, instances of cheating, in any form, will be considered a critical breach of character and integrity as well as a serious violation of the *Code of Student Conduct* punishable by measures deemed appropriate by school and district officials. Parents shall be notified of all instances of cheating.

Violation of this portion of the *Code of Student Conduct*, as in the "Definitions of Infractions" in this document may result in the loss of eligibility for local scholarships, loss of honors, awards, and membership in extra-curricular activities. A student whose actions enable others to cheat (e.g., stealing or selling a test) will be considered to have committed a particularly serious violation of this *Code of Student Conduct* which will result in the **strongest of consequences related to the nature of the incident including, but not limited to loss of assignment credit if applicable, referral to law enforcement.** Please refer to the Matrix of Infractions and Disciplinary Actions at the end of this document for consequences relating to violations of academic honesty.

The Superintendent's Academic Integrity Committee, a committee consisting of students from all four (4) high schools, has supplied the following to remind students of facts about cheating.

Copying is cheating.

Homework is not supposed to be copied.

Education relies on each student's integrity.

Attitude for learning is built upon honesty.

Teachers lose trust when you cheat.

Integrity for yourself is priceless.

Not learning to your full potential makes you lose valuable time.

Giving away answers is not cool and only hurts you and the other person.

Honesty is respected. Cheating should be rejected.

CHARLOTTE COUNTY PUBLIC SCHOOLS
STATEMENT OF ACADEMIC HONESTY AND PLAGIARISM

This form must be presented to each student in grades K-12. Forms for students in grades K-2 need a parent signature only. In grades 3-12, both the student and the parent must sign the form. The signed form will be kept on file in the office of the school's dean or appropriate administrator.

The School Board of Charlotte County strongly believes that academic honesty must be practiced by all its students. Therefore, instances of cheating in any form will be considered a critical breach of character and integrity as well as a serious violation of the *Code of Student Conduct*.

Cheating is defined in the Charlotte County Public Schools in the following way:

"The inappropriate and deliberate distribution or use of information, notes, materials, or work of another person, used as your own, in the completion of an academic exam, test or assignment."

Cheating violations may result in the loss of eligibility for local scholarships, loss of honors, awards, and membership in extra-curricular activities. In addition, a student whose actions enable others to cheat (e.g., stealing or selling a test) will be considered to have committed a particularly serious violation of the *Code of Student Conduct* which will result in **the strongest of consequences related to the nature of the incident including, but not limited to loss of assignment credit, referral to law enforcement.**

- C. through the use of data or computer software that is accessed through a computer, computer system, or computer network within the scope of the District; or
- D. through the use of data or computer software that is accessed at a non-school related location, activity, function, or program or through the use of technology or an electronic device that is not owned, leased, or used by the District or school if the bullying substantially interferes with or limits the victim’s ability to participate in or benefit from the services, activities, or opportunities offered by the District or school, or substantially disrupts the education process or orderly operation of a school.

Note: Students who harass any school staff will be subject to discipline under the definition of assault in the Matrix of Infractions (see the definition in this section).

Reporting

Reprisals or retaliation for reporting bullying will not be tolerated and will be regarded as threats or intimidation as defined in this document. Anyone who believes he/she has been or is the victim of bullying and/or harassment should immediately report the situation to the school’s administration. The principal or designee shall report the occurrence of an incident of bullying to the parent/guardian of all students known to be involved in the incident. Students and parents may use the District website for reporting instances of bullying.

See the *Matrix of Infractions and Possible Consequences*.

What to Do

If you are being bullied during the school day, at a school event, at an after school program or on the bus, it is important that you report it to a school administrator who can take action. Remember, be **SAFE**

- Say something to an adult
- Ask for help
- Find a friend
- Exit the area

If bullying occurs after school hours, notify your school SRO or report it to your local law enforcement officer.

If you witness an act of bullying you should do the following:

- Refuse to join in

- Never fight the bully
- Get others to help you speak out against the bullying
- Distract the bully
- Report all bullying to administration

SOCIAL MEDIA, TWITTER, ETC. CAUTION

Students who use social media, twitter, texting, etc. after school hours may face discipline consequences related to cyberbullying if the communication disrupts the school day.

ZERO TOLERANCE FOR SCHOOL RELATED VIOLENT CRIME

Zero tolerance for school-related violent crime is part of a comprehensive approach to reducing school-related violent crime and for ensuring environments that promote learning and a high standard of student conduct.

Students who are determined by the principal to have committed a zero tolerance, violent crime on school property, on school-sponsored transportation, or during school-sponsored activities, shall be recommended to the Superintendent for expulsion. The Superintendent will consider each recommendation for expulsion on a case-by-case basis and may assign a student to a disciplinary program or alternative setting if it is determined to be in the best interest of the student and the school system.

The following list of offenses shall be considered zero tolerance, violent crimes:

1. Aggravated assault (threat with a weapon);
2. Aggravated battery;
3. Armed robbery;
4. Arson;
5. Battery or aggravated battery on a teacher or other school personnel;
6. Bona fide threat (see definition);
7. False Report (see definition);
8. Homicide (murder, manslaughter);
9. Kidnapping or abduction;
10. Possession, use, or sale of any explosive device;
11. Possession, use, or sale of any weapon or firearm;
12. Sale, distribution, possession, receipt, or delivery of illegal drugs;
13. Sexual assault;
14. Sexual battery, and
15. Victimization (see definition).

The principal or the principal's designee shall notify a local law enforcement agency when a zero tolerance, violent crime has been committed. If the offense involves a victim, the victim and the victim's parents or legal guardian shall also be notified of the offense and of the victim's right to make a statement to law enforcement officials.

State Board Rule 6A-1.0404, Florida Administrative Code, provides for teachers and other school personnel to file charges against a student if a crime has been committed against a teacher or other instructional personnel on school property, on school sponsored transportation, or during school sponsored activities.

WEAPONS AND DANGEROUS INSTRUMENTS

Weapons

In addition to firearms, students are strictly prohibited from possessing using, selling, storing, or distributing any object that may be used to inflict harm or to intimidate another person. Weapons, whether real or look alike weapons, will result in a recommendation for expulsion whether or not law enforcement action is taken.

Simulating a firearm while playing, wearing clothing as accessories depicting weapons or expressing an opinion regarding gun ownership rights are not necessarily grounds for disciplinary action unless those aforementioned behaviors cause a substantial disruption to the learning environment.

Students are required to immediately report knowledge of weapons and threats of violence by students and staff to the building administrator. Failure to report such knowledge may subject the student to immediate suspension and potential expulsion from school.

Examples of weapons include but are not limited to the following:

Fixed blade knives	Chinese stars
Folding knives	Billy clubs
Switchblade knives	Chemical irritants
Common pocketknives	Mace
Razor blades	Tear gas
Sharp cutting instruments	Pepper spray
Ice picks	Poisonous gases
Dirks	Sling shots
Chains	Electrical weapons or devices
Pipes	Stun guns
Nunchucks	BB guns
Blow darts	Propellant guns
Brass knuckles	Pellet guns
	Look alike or toy guns

Dangerous Instruments

Dangerous instruments are anything not specifically designed to do harm to another person but used to do harm, to cause or to attempt to cause injury, or to put someone in reasonable fear of injury either intentionally or unintentionally including but not limited to belts, belt buckles, pencils, pens, compasses, combs, or hair brushes. Items used in such a way may result in a recommendation for expulsion.

Florida Statute 1006.07(2)

OFF CAMPUS FELONIES

In accordance with Section 1006.09 (2), Florida Statutes, suspension proceedings may be initiated against a student who is formally charged with a felony for an incident that allegedly occurred on property other than public school property. If, in an administrative hearing, the incident is shown to have an adverse impact on the educational program, discipline, or welfare of the school, the student may be suspended until the disposition of his or her case by the courts. As a result of such a hearing, the student may be suspended for longer than 10 days; however, such a suspension that exceeds 10 days shall not affect the delivery of educational services to the student and the student shall be immediately enrolled in a daytime or evening alternative education program where appropriate. If the court finds that the student did commit the felony, the School Board shall have the authority to expel the student.

VICTIMIZATION

In accordance with Florida Statute 1006.13(5), any person who is attending public school and who has committed certain felony violations can be prohibited by the court before, at the time of adjudication, withholding of adjudication, or pleas - from attending the same school or riding the same school bus as the victim or the victim's siblings.

STUDENT ATTENDANCE REQUIREMENTS

The School Board maintains that daily school attendance is essential to the educational success of each student. Students are expected to be in school all day, every day and in class on time in order to receive full benefit from the instructional programs of the Charlotte County Public Schools. All absences must be reported and explained by a parent or guardian within two (2) school days after the student's return to school. Research has shown that 10% or more of instructional time missed by students is an early warning indicator for possible academic struggles; this measure is used to define chronic absenteeism nationwide.

Florida Statute 1003.24
School Board Policy 5200

Compulsory School Attendance

School attendance is required of all students, who have attained the age of 6 years or who will have attained the age of 6 years by February 1st of any school year, but who have not attained the age of 16, unless otherwise exempt by law.

Florida Statute 1003.21 (1)(a)(b)

Non-Enrollment

Under the direction of the Superintendent, a designated representative shall give written notice, in person or by return receipt mail, to the parent/guardian when no valid reason is found for a child's non-enrollment in

school. The letter requires enrollment within 3 days after the date of notice. If the notice and requirements are ignored, the designated representative may initiate steps necessary to bring criminal prosecution against the parent/guardian.

Florida Statute 1003.26 (2)(a)

Students Beyond Compulsory Attendance Age

All students age 16 and over are required to comply with all school rules and all rules and regulations established by the School Board. All notices, report cards, attendance information and other similar information will be made available to the parent/guardian with the understanding that the parent/guardian is fully responsible for student progress, attendance and behavior.

Students who are 18 years old or older and who are not dependents will be treated as the sole persons responsible for their school records and other school matters.

Students between the ages of 16 and 18 must file with the School Board a formal declaration of intent to terminate school enrollment in order to be exempt from compulsory school attendance requirements. An exit interview with appropriate school staff is required, and the declaration form must be signed by both the parent and the student.

Florida Statute 1003.21

Attendance Recording

Students shall be counted in attendance when they are present. Students who are on hospital/homebound instruction are counted as present.

Florida Statute 1003.23 (2)

Reporting Student Absence

There must be communication between the school and home regarding each absence. All absences must be reported and explained by a parent or guardian within two (2) school days after the student's return to school.

Florida Statute 1003.23(2)

Pattern of Non-attendance

If a student has had at least five (5) unexcused absences, or absences for which the reason is unknown, within a calendar month or ten (10) unexcused absences, or absences for which the reason is unknown, within a 90 calendar day period, the student's teacher shall report to the school principal or his or her designee that the student may be exhibiting a pattern of non-attendance.

The principal shall, unless there is clear evidence that the absences are not a pattern of nonattendance, refer the case to the school's attendance intervention team, or equivalent (referred to in the law as the Child Study Team) to determine if early patterns of truancy are developing. If the attendance intervention team finds that a pattern of non-attendance is developing, whether the absences are excused or not, a meeting with the parent must be scheduled to identify potential remedies. If this parent meeting does not resolve the attendance issue, the team shall implement interventions that best address the barriers to regular school attendance.

A student with fifteen (15) or more unexcused absences within ninety (90) calendar days will be considered habitually truant from school in accordance with Florida Statute 1003.01(8). In these cases, procedures for filing a Child in Need of Services (CINS) petition with the courts may be commenced.

Note: Absences for truancy referral are cumulative and carry over from the first to the second semester.

Florida Statute 1003.26 (b)

Excessive Excused or Chronic Absences

Students accumulating more than fifteen (15) chronic/excessive excused absences or absences which occur in patterns week by week at any time during the school year may be required to provide documentation at the request of the principal. Failure to provide adequate documentation may result in absences being considered unexcused with a referral for truancy. See *“Required Documentation for Make-Up Work for Absences Beyond Nine Days.”*

- NOTES:**
- 1) Students accumulating as few as five (5) unexcused absences in a calendar month may be referred to Truancy Court.
 - 2) Students accumulating more than 15 unexcused absences in a 90-day period are subject to Driver’s License revocation.
 - 3) Absences for truancy referral are cumulative and carry over from the first to the second semester.

Florida Statute 1003.27 (3)

Elementary and Middle Students: Late Arrivals (Tardy) and Early Dismissals

The parent/guardian/caretaker of each student of compulsory school age, who has been tardy or released from school for any reason, shall provide documentation to verify the cause for such tardiness or partial absences from school. The School Board reserves the right to verify such documentation and to investigate the cause of any tardiness or early dismissal.

During the school year, failure to document and explain the cause for the late arrival or early dismissal may result in an unexcused tardy or unexcused early dismissal. Every three (3) unexcused tardies or early dismissals, or a combination of thereof, will result in one (1) unexcused absence for the purpose of determining whether a pattern of non-attendance exists. A student who has accumulated a combination of 15 unexcused tardies and/or early releases may be referred to Truancy Court or the Truancy Intervention Program (TIP). Additionally, procedures for filing a Child In Need of Services (CINS) petition may be commenced.

Florida Statute 1003.24 (4); 1003.02 (1)(b); 1003.26 (1)(6) Adopted 7/21/09

Referral to Truancy Court and Truancy Intervention Program (TIP)

Students are expected to be in school and in class on time in order to receive full benefit from the instructional programs of the Charlotte County Public Schools. Students of compulsory school age with chronic/excessive excused or unexcused absences or with absences, which occur in patterns, may be referred to Truancy Court or the Truancy Intervention Program (TIP). A Truancy Court Petition may be filed against the parent or guardian who is legally responsible for the student’s attendance where a judge may issue sanctions against the student or parent. Additionally, the Charlotte County State Attorney’s Office and the Charlotte County Public Schools have partnered and created TIP to enforce Florida’s mandatory school attendance laws. If your child exhibits a pattern of truancy, and there is no improvement after interventions, the Superintendent of schools may file a case for criminal prosecution against the student’s parents.

Florida Statute 1003.27 (3)

Types of Absences

For purposes of gathering statistical data, all absences will be recorded in the school office as excused, unexcused, or absence due to an out-of-school suspension. However, in the classroom, no distinction in the type of absence is necessary until notification is provided from the attendance office.

- A. Excused Absence - An absence will be recorded as excused for the following reasons:
 - (1) Illness of student.

- (2) Serious illness or death in student's immediate family, including significant other.
- (3) Students excluded from school for head lice or nits will be allowed up to three (3) school days to remove the lice or nits. After three (3) school days for a single occurrence, the absences will be considered unexcused unless the principal or designee extends the excused classification for special circumstances. Continued re-infestation will be referred to the Director of Student Services and the Supervisor of Health Services and may result in a referral to the Student Assistance Team as a pattern of non-attendance. (*See Excessive Excused or Chronic Absences.*)
- (4) Doctor or dental appointments. Parents are encouraged to schedule appointments after school hours.
- (5) Health issues as they relate to pregnant teens, teenage mothers and/or their children. Appointments after school are encouraged.
- (6) Legal matters.
- (7) Religious holidays/training of the student's specific faith or religious instruction. Students shall be excused from any examination, study, or work assignment for observance of a religious holiday or because the tenets of his/her religion forbid secular activity at such time.
- (8) Special honors and/or awards.
- (9) Absence is with knowledge and consent of the Principal.

Note: Trips with parents are considered unexcused unless they have the principal's permission three (3) school days in advance. Principal permission may be dependent on an individual student's attendance record and academic standing.

Note: School-sponsored trips, extracurricular activities, assemblies, and internal suspensions are not considered absences. Students are allowed to make up work in the same manner as an excused absence.

B. Unexcused Absence - A student's absence will be recorded as unexcused for the following reasons:

- (1) Absent from school or class without the knowledge and permission of his/her parents or guardian or school authorities.
- (2) At the secondary level, absences are tied to course credit. Nine (9) absences (excused or unexcused) per semester [five (5) in the extended period or block class] are tolerated. The tenth (10th) absence [or sixth (6th) in the extended period or block class] is considered excessive and will be counted as unexcused unless official documentation is provided.

C. Absence Due to Out-of-School Suspension – Absence due to an out-of-school suspension will be recorded in a category separate from excused or unexcused. They will count toward the 9 days that are tolerated.

D. Absences Due to Incomplete State Immunization Requirement or Health Examination Requirement - Charlotte County Public Schools, in accordance with Florida Statute 1003.22, allows homeless students and new students a 30 school day grace period to get their mandatory physical, immunizations or certificate of waiver for said requirements. Failure to provide documentation within the 30 school day grace period will result in the student being excluded from school beginning on school day 31. All school days missed after the 30 school day grace period will be recorded as unexcused absences and the student's absences will be subject to Florida's truancy laws.

Make-up work privileges shall not exist for subsequent out-of-school suspensions except for exams (or equivalent).

The tenth (10th) absence [or sixth (6th) in the extended period or block class] is considered excessive and will be counted as unexcused unless official documentation is provided.

In order to receive credit, a student who exceeds nine (9) days of absences per class (either excused or unexcused) in a semester or who exceeds five (5) absences per nine weeks in an extended period or block must

Florida Statute 1003.436

Attendance and Driver's License Program

Florida Statute requires each school district to report to the Department of Highway Safety and Motor Vehicles the names of all minors between 14 and 18 years of age who accumulate 15 unexcused absences in any 90-day period. Students whose names have been submitted will not be issued a driver's license or learner driver's license, and any previously issued license will be suspended.

Parents or guardians of students whose driver's licenses have been suspended, or the issuance of which has been denied because of excessive unexcused absences may request the principal to have some or all of the absences changed to the status of excused. However, all such requests, in order to be considered, must be accompanied by proper documentation as outlined in the section on "Required Documentation for Absences Beyond Nine Days." In order for a driver's license to be reinstated, a student must be in attendance for at least 30 school days without any unexcused absences.

Out of School Suspensions

An out-of-school suspension is an administrative action that prohibits a student from attending school as compared to truancy. In order to avoid a double penalty, absences due to out-of-school suspensions will not be reported to the Department of Highway Safety and Motor Vehicles (DHSMV).

Florida Statute 1003.27(2)(6)

STUDENT DRESS CODE

Responsibility for the dress and appearance of students enrolled in the Charlotte County Public Schools primarily rests with parents and the students themselves. Some student apparel may not be appropriate to wear to school even though that same apparel may be appropriate in other settings.

The School Board of Charlotte County believes that there is a relationship between student attire and classroom behavior, attitude, and achievement. The objectives of this serious and conservative dress code are to bring more dignity to the classroom, to have fewer classroom distractions, to help achieve stronger discipline, and to help provide guidelines for appropriate attire as students transition from the classroom environment to the world of work or postsecondary settings.

To assist parents and students in making appropriate fashion and grooming decisions for school, the School Board has established the following guidelines for appearance and dress.

A school may elect to participate in a uniform dress code which follows school board guidelines and which receives school board approval. Once a uniform dress code is approved for a school, students must follow the school's adopted code or face consequences as outlined in the *Code of Student Conduct* "Matrix of Infractions and Consequences."

✓ *It is expected that students will wear the following:*

1. Clothing and hairstyles which are not harmful, disruptive, or hazardous to health or safety;
2. Appropriate undergarments at all times. Undergarments are to remain unexposed;
3. Footwear which is appropriate to activities and conditions;
4. Tops and dresses which have sleeves;
5. Pants, skorts, shorts, skirts and dresses whose length is about the knee or longer when standing. Pants, skorts, shorts, and skirts are to be fastened at the waist. If the pants, skort, shorts, skirt, or dress has a leotard or leggings, etc. underneath, the pants, skort, shorts, skirt, or dress still must meet the appropriate length. Sheer leggings are not a substitute for pants; and
6. Pants with tears or rips above the knee can only be worn with clothing that covers exposed skin and undergarments.

Note: It is expected that elementary school students will wear shorts and other apparel of an appropriate length as determined by the principal.

✓ *It is also expected that students will not wear the following:*

1. Caps, hats, headwear or sunglasses except when students are out of doors during school hours;

Florida Statute 1001.43(1)(b)

2. Apparel, emblems, insignias, badges, or symbols that display obscenities, are sexually suggestive, or which promote or advertise the use of tobacco products, alcohol, drugs, violence or other illegal activities;
3. Apparel or symbols which are offensive to any specific group or which are identified with gang, secret society, or cult involvement;
4. Any articles of clothing or jewelry that could likely cause injury or disruption, such as but not limited to, inappropriate tattoos, a spiked bracelet that could be used as a weapon, decorative chains and/or piercings which are designed or worn in a fashion that could easily cause injury; and
5. Halters, backless or sleeveless dresses or tops, spaghetti straps, tube tops, tank tops, muscle shirts, tops with low or revealing necklines, or any other clothing which may be distracting unless covered by an appropriate outer garment which remains as part of the outfit. In addition, the midriff shall not be exposed.

Note: The principal or the principal's designee has the final authority for interpreting whether a student's apparel conforms to the dress code. When it is determined that a student's clothing does not comply with the dress code, or is disruptive or inappropriate, a parent/guardian may be asked to bring an appropriate change of clothes to school, or a student may be sent home to change clothes.

Note: The principal may modify the dress code for extra-curricular school functions.

Effective July 1, 2011, Florida Statute prohibits a student, while on the grounds of a public school during the regular school day, from wearing clothing that exposes underwear or body parts in an indecent or vulgar manner or that disrupts the orderly learning environment.

Any student who violates this statute is subject to the following specified disciplinary actions as prescribed by Florida law.

First offense: A student must be given a verbal warning and the school principal/designee must call the student's parent or guardian.

Second offense: The student is ineligible to participate in any extracurricular activity for a period not to exceed 5 days and the school principal/designee must meet with the student's parent or guardian.

Third and subsequent offense: A student must receive an in-school suspension for a period not to exceed 3 days. The student is ineligible to participate in any extracurricular activity for a period not to exceed 30 days. The school principal/designee must call the student's parent or guardian and send the parent or guardian a written letter regarding the student's in-school suspension and ineligibility to participate in extracurricular activities.

PUBLIC DISPLAY OF AFFECTION

Students are expected to display appropriate and respectful interpersonal physical contact at all times. Excessive interpersonal contact or inappropriate displays of affection may result in disciplinary action.

SCHOOL BUS SAFETY RULES

Safety – Our First Concern

These rules have been developed to promote the safety of all students who have been granted the privilege of riding a Charlotte County Public School bus. Failure to comply with these rules could result in the permanent loss of riding privileges and suspension and/or expulsion from school. Students may be video taped while riding the bus. Viewing of any tapes are subject to School Board policy.

In addition to following the *Code of Student Conduct*, there are additional bus safety rules that must be followed in order to help ensure a safe ride on the school bus.

Bus Stops

Students will conduct themselves in an appropriate, safe, and courteous manner while at the school bus stop. Behaviors prohibited by the *Code of Student Conduct* which take place at the school bus stop will be referred to the school principal for action. Parents are responsible for the safe travel of their students when the students are not under the custody and control of the school district, including during each trip to and from home and the assigned bus stop. Parents are also responsible for ensuring their students comply with the District *Code of Student Conduct* while at school bus stops and parents must provide necessary supervision during times when the bus is not present.

1. Students should be at their assigned bus stops five (5) minutes prior to the scheduled arrival time of the bus.
2. Florida Statute 1006.07(g); 1006.10
School Board Policy 8600

Safety is the FIRST consideration on the bus; therefore, use of electronic devices is permitted as long as it does not interfere with the safety of the bus as determined by the driver.

WALKER SAFETY

Students should be mindful of traffic when walking to and from school. Walkers should stay on sidewalks or paths or on the side of the street facing traffic. Students should not walk in the middle of the road.

Parents of elementary students who walk to and from school are highly encouraged to review safety tips with their children. Parents are also encouraged to have a responsible person meet and/or walk home with the student.

BICYCLES

The School Board regards the use of bicycles for travel to and from school by students as an assumption of responsibility on the part of those students and parents. Bicycles are not permitted for student travel on campus during the school day.

Students are responsible for bicycles and equipment which are lost, stolen, or damaged while on School Board property.

Florida Statute 1001.43

HOVER BOARDS

Due to the dangers involved with hover boards, because of the instability of the devices' batteries, and due to the inherent risk of injury by unskilled riders, Charlotte County Public Schools does not allow these devices on campuses or district transportation vehicles.

STUDENT CONDUCTED SURVEYS

Student conducted surveys that fall under the *Protection of Pupil Rights* Amendment MUST have approval from the Superintendent before they are administered.

20 U.S.C. § Regulations: 34CFR Part 98

ELECTRONIC COMMUNICATION AND LASER DEVICES

While the School Board recognizes the importance of technology in our society, and the importance of integrating technology into our classrooms, the Board also requires students to use technology in an appropriate and responsible way. Misuse of any electronic devices will be handled with strict enforcement.

IT IS REQUESTED THAT PARENTS ASSIST WITH THE IMPLEMENTATION OF THIS IMPORTANT POLICY.

Note: CCPS is not financially responsible for electronic or wireless devices that are lost or stolen on campus.
CCPS is not responsible for any data lost while connected to our network.
CCPS maintains the right to disable any device connected to the network.

Electronic or Wireless Communication Devices are defined as follows:

Electronic devices are those which provide communication by text, word, voice or picture.

Student use of cellular phones or other electronic or wireless devices is strictly prohibited at any time once the school day begins unless specific permission is granted by a teacher or administrator or is specific to an IEP or 504 plan. Each school may develop individual usage rules. Cellular phones or other communication devices used during the school day or on the school bus without specific permission will be confiscated. Confiscated devices may be released to the parent/guardian at the end of the academic day that the incident occurs or before or after school in the days following. Repeated misuse may result in loss of privileges as determined by the principal or his/her designee.

It is expected that students using the internet will ONLY access it through the CCPS network unless they receive prior approval from their instructor.

Audio taping, video taping or photographing a person without his or her expressed permission is strictly prohibited. Parent permission is required at the elementary level.

NOTE: If a communication device is used in a criminal act while the student is on school property or in attendance at a school function, there is the possibility of disciplinary action by the school or criminal penalties by a court of law.

Florida Statute 1006.07(2)(e)

Any laser device, not authorized for use as a learning tool, is strictly prohibited on school grounds or school buses and possession of such device will result in confiscation and possible disciplinary action.

STUDENTS BEWARE! * STUDENTS BEWARE! * STUDENTS BEWARE!

Taking, sending, forwarding or receiving pictures of a sexual nature via an electronic device is against the law and could get a student into serious trouble, not only in school, but with the law as well. If a student forwards such a picture of someone (even him/herself), he/she could face pornography charges. Students must report receiving pornographic materials to the school's administration.

GANGS AND SECRET SOCIETIES PROHIBITED

Gangs and secret societies are prohibited.

Gangs are defined as any ongoing organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities, the commission of one or more criminal acts. Gangs have an identifiable name or identifying sign or symbol, and members individually or collectively engage in a pattern of criminal activity.

A secret society is defined as a fraternity, sorority, or other organization whose active membership is comprised in whole or in part of students enrolled in any public school. Membership in a secret society is based on the decision of its members rather than on the right of any student who is qualified by the rules of the school to be a member. This does not prevent the establishment of an organization fostered and promoted by school authorities or approved and accepted by school authorities.

Any student wearing, carrying, displaying gang or secret society paraphernalia, exhibiting behavior or gestures which symbolize gang or secret society membership, causing and/or participating in activities which intimidate or affect the attendance of another student, may be suspended from school and recommended for expulsion.

MEDICATION MISUSE

Charlotte County Public Schools recognizes that a student may have an illness that does not prevent his/her attending school but which does require an FDA approved medication prescribed by a licensed medical physician. Medications, dietary supplements, vitamins, holistic medications such as essential oils and/or treatments including inhalers should be given by parents at home, except when, in a physician's opinion, it is deemed vital that the medication be given during school hours. Medications, including the aforementioned list, taken during the school day must be dispensed by the school nurse or designee in the student health center.

No over-the-counter (non-prescription) medications will be given by the school nurse (or designee) without a prescription from the physician. A physician must order a non-prescription medication such as aspirin or Tylenol and the appropriate *Parent and Physician Authorization Form* must be completed. A physician's order is not needed for lip balm.

Medications shall not be carried on a student's person in school except Epinephrine Auto Injectors, asthma inhalers, and pancreatic enzymes and only after a separate completed signed authorization form has been approved. Furthermore, no student is allowed to provide or sell any type of medication to another student.

Possession and/or use of aerosols on school property or school events are strictly prohibited.

The misuse of common products with the sole purpose of imitating the effects of a licit or an illicit drug (legal or illegal) will be dealt with as a drug related offense.

Any misuse of over-the-counter or prescription medications will be dealt with as a drug related offense.

Possessing, using, selling, storing, or distributing cigarettes (including "E" or vapor cigarettes or the like), cigars, snuff, dip, pipe tobacco, chewing tobacco, tobacco-free cigarettes or incendiary devices is a violation of the *Code of Student Conduct*. Students under the age of 18 will be referred to law enforcement.

MISUSE OF COMMON PRODUCTS

The use or possession of common products known to be alternatives to illicit drugs with the sole purpose of imitating the effects of a licit or an illicit drug (legal or illegal) will be dealt with as a drug-related offense. Examples of these products are bath salts, Spice, K2, herbal incense, potpourri and other common products that are known through law enforcement to mirror the effects of a licit or illicit drug.

If the student is convicted of said felony charge, regardless of whether adjudication is withheld, that student's participation in interscholastic, extra-curricular activities will be suspended for a minimum of eighteen (18) consecutive school weeks. The student may only be reinstated for eligibility with the approval of SERT.

WARRANTLESS SEARCHES

School officials may conduct a warrantless search of a student's person, automobile, book bag, or any other storage area on School Board property, if such officials have reasonable suspicion that illegal, prohibited, or harmful items or substances may be concealed on the student or hidden in such places.

School officials may also use metal detectors or specially trained animals in the course of searches. In addition, where alcohol use is suspected, students may be asked to submit to an oral swab test or portable breathalyzer test.

Any student who refuses to cooperate shall be subject to school disciplinary action which may include a recommendation for expulsion.

A random search of students without specific cause may be conducted on School Board property, at school-sponsored activities away from school property, and at all other times when students are subject to the disciplinary control of school officials. Students, property and areas to be included in the search shall be determined on a documented, completely random basis. Stationary or hand-held metal detectors may be used to assist in a random search for firearms and weapons. Specially trained animals may be used to assist in the random detection of weapons or illegal substances. Visitors, who elect to remain in the search area following notice, may be subject to the random search process. Such random searches may only be conducted by school officials subject to the administrative guidelines promulgated by the Superintendent and applicable School Board Policies.

STUDENT OUT-OF-SCHOOL SUSPENSION AND EXPULSION/SERT

Suspension

Suspension is a disciplinary action that orders the temporary removal of a student from a class or all classes and/or extra-curricular activities for a prescribed period of time. The principal or the principal's designee shall make a good faith effort to employ parental assistance or alternative consequences for misconduct prior to suspending a student, except in emergencies, disruptive conditions, or incidents involving a serious breach of conduct.

NOTE: Internal suspension is considered an Alternative Program intervention sometimes used prior to out-of-school suspension.

Guidelines for Suspensions

Before a suspension is imposed on a student, except in emergencies, the student shall be provided oral and written notice of the following:

- The provision(s) of the *Code of Student Conduct* violated;
- The specific conduct that constituted the violation(s);
- The factual basis for the suspension;
- The rationale for the suspension; and
- A brief description of the student's rights and of the hearing process.

Each student shall be given the opportunity to present his/her version of the incident. No student shall be suspended for unexcused tardiness, lateness, absence, or truancy.

Parent Notification

When a student is assigned an out-of-school suspension, the principal or the principal's designee shall make a good faith effort to immediately inform the student's parent or guardian by telephone of the reason(s) for the student's suspension. When telephone contact is made with the parent/guardian, a copy of the suspension papers related to the incident shall be mailed within 24 hours.

If the principal or the principal's designee is unable to contact the parent, the suspension papers related to the incident shall be sent by certified mail to the most current address of the parent/guardian on record at the school.

Students who have been suspended shall not, under any circumstances, return to any school campus or any extracurricular activity during the term of the suspension. Students returning to campus or activities during suspension will be subject to arrest for trespassing.

Homework will be made available upon request by the student/parent within twenty-four hours of the suspension and will be subject to the normal homework policy of each teacher, and the *Code of Student Conduct*.

Suspension Appeal

A student along with his/her parent/guardian/caretaker may request an appeal regarding the suspension. The request for a suspension appeal must be made to the principal or designee by phone, email or in person. All requests for an appeal of a suspension should be made to the office of the principal or designee within 24 hours (excluding Saturday, Sunday and holidays) of the suspension.

During this appeal, the student may be directed by the principal or designee to remain out of school until a final decision is made regarding the appeal. If the appeal is granted, the principal or designee will make arrangements to administratively excuse the absence and assist the student with any school work missed during the appeal. The principal or designee has the authority and responsibility of final review of any such appeal.

Expulsion and SERT

Expulsion is the most severe penalty the School Board may impose for a violation of the *Code of Student Conduct*. Expulsion is the removal of the right and obligation of a student to attend public school for a specified period of time. An expulsion may be imposed for a period up to, but not to exceed the current school year, the following school year, and the intervening summer school.

The Superintendent shall refer the case of a student recommended for expulsion to the district Suspension/Expulsion Review Team (SERT). The SERT will review the incident, student records, and previous disciplinary actions and recommend that the Superintendent consider an alternative placement or act on the principal's recommendation for expulsion. If an alternative placement is considered, the student and parent will be required to sign a *Stipulated Agreement in Lieu of Expulsion* and the student must attend an alternative school. In the case of a drug violation, the stipulated agreement will require that the student must submit to random drug testing while attending the alternative program (student/parents may be required to pay for the initial drug testing). If the principal's expulsion recommendation is reaffirmed by SERT, the Superintendent shall schedule an expulsion hearing as soon as practicable.

Suspension and Expulsion of Students with Disabilities

For the purpose of this rule, students with disabilities shall mean those students evaluated and determined eligible for participation in an Exceptional Student Learning program, excluding gifted students.

- A. An Individual Education Plan (I.E.P.) manifestation meeting shall be convened before the disabled student has been suspended for ten (10) cumulative school days in any school year. If that is not possible, an I.E.P. meeting shall be held anytime before the end of the 10th day of suspension. At the I.E.P. meeting, the appropriateness of the student's placement must be reviewed and any appropriate changes should be made. The I.E.P. committee shall consider whether the student's misconduct is a manifestation of his/her disability.

If suspension from the school bus results in a student not attending school, the days shall also be considered for I.E.P. purposes as a suspension from school.

- B. Expulsion of an identified student with a disability constitutes a change in placement, not an exclusion from educational services, and shall only occur when no relationship exists between the misconduct and the disabling condition. For this reason, the following procedures shall be followed in addition to those applying to students with disabilities:
 1. Instances in which students with a disability engage in behavior that, under normal circumstances, could warrant expulsion shall be as described in the district *Code of Student Conduct*;
 2. If the principal feels that the behavior of a student with a disability warrants expulsion, the principal shall contact the Superintendent and request an Exceptional Student Learning staffing meeting in accordance with the district "Procedures for Providing Special Education for Exceptional Students";
 3. The staffing committee shall comply with SBER 6A-6.331(2) and shall meet to determine whether the student's misconduct bears a relationship to the disability and to recommend a change in program, if warranted. The ESL student can be expelled if the staffing committee determines that the breach of conduct was not related to his/her disabling condition. However, in no case may the district cease the provision of educational services, nor should the suspension of an exceptional student be extended beyond ten (10) days unless alternative educational services are provided;
 4. The approved policies and procedures for conducting meetings and for providing procedural safeguards to parents and guardians of students with disabilities shall apply to the staffing and change of placement provisions consistent with SBER 6A-6.331(3); and
 5. The disabled student's parent or guardian shall be informed of these policies and procedures by notice in the district *Code of Student Conduct*, by procedures in the

district “*Procedures for Providing Special Education for Exceptional Students,*” and by informed notice for any change of placement resulting from this policy.

PARTICIPATION IN GRADUATION ACTIVITIES

Completing all required courses, having the appropriate grade point average and receiving passing scores on all required tests, gives the student the right to receive a high school diploma. However, participation in graduation and promotion ceremonies and activities is a privilege, not a right that is automatically accorded to students. If, 30 school days or less before graduation, a student commits a major infraction as listed in the *Code of Conduct*, graduation activities and participation in the graduation ceremony (commencement) will be withheld. The graduation ceremony (commencement exercises) will include only those students who have successfully completed requirements for a standard high school diploma, a special diploma, or a certificate of completion for graduation as certified by the high school principal. Exceptions can be made with principal approval for students who are awaiting GED Exit Option results at The Academy. A qualified student may be denied participation in the ceremony of graduation when personal conduct so warrants.

POSITIVE BEHAVIOR INTERVENTION SUPPORT

Schools using Positive Behavior Intervention Support (PBIS) have a goal of providing programs based on research and individual school data which formalizes school-wide expectations and consequences specific to their particular school setting.

APPENDIX I **INTRODUCTION TO THE** **MATRIX OF INFRACTIONS AND** **POSSIBLE CONSEQUENCES**

Students are expected to come to school prepared to learn and to participate in all learning activities. Any conduct which interferes with the orderly operation of a school and/or interferes with any student's ability to learn is considered inappropriate and may subject the student to disciplinary action.

The *Matrix of Infractions & Disciplinary Actions* specifically identifies prohibited student conduct and lists the range of consequences which may be imposed by the school administrative staff for each infraction.

In conjunction with the use of the matrix, on-going educational and behavioral interventions are to be used to address student conduct concerns.

Possible school level interventions include the following:

1. Conference with student;
2. Conference with parent;
3. Referral to the Student Assistance Team;
4. Student Contract (Behavioral/Attendance);
5. Peer Mediation;
6. Tobacco Cessation Class;
7. Substance Abuse Counseling;
8. OSSA - Out of School Suspension Alternative;

9. Referral to guidance counselor;
10. Assessment by school social worker;
11. Assessment by school psychologist;
12. Referral to SEA Program;
13. Referral to SOS Program; and
14. Functional Behavioral Analysis (ESE).

When assigning a disciplinary action, the principal or the principal's designee shall give consideration to factors such as the nature of the infraction, the student's past disciplinary record, the student's attitude, the student's age and grade level, and the severity of the problem as it exists in that particular school. Repeated violations may warrant more severe disciplinary action.

A student or parent may appeal to the principal for reconsideration of a disciplinary action; however, the principal has the authority of final review of any such appeal.

Note: Reassignments may be revoked for violations of the *Code of Student Conduct*.

STUDENT/PARENT ACKNOWLEDGMENT FORM
2016 – 2017

The *Code of Student Conduct* has been developed to help your child gain the greatest possible benefit from his/her school experiences. This *Code of Student Conduct* defines the responsibilities and the rights of students attending Charlotte County Public Schools, as well as clearly identifies the consequences for student actions which violate this code.

The school is in need of your help and cooperation. Students, parents, and schools working together can maintain a safe and purposeful atmosphere in the schools where students can learn to their full potential.

Since parents/guardians share responsibility for the actions of their children, they should also become familiar with the rules and expectations described in this handbook. Please read and discuss this important document with your child, then sign this form and return it to your child's school, where it will be kept on file.

I also agree to the rules and terms of network and internet use as outlined in the agreement in this *Code of Student Conduct*.

CHARLOTTE COUNTY PUBLIC SCHOOLS
STATEMENT OF ACADEMIC HONESTY AND PLAGIARISM

This form must be presented to each student in grades K-12. Forms for students in grades K-2 need a parent signature only. In grades 3-12, both the student and the parent must sign the form. The signed form will be kept on file in the office of the school's dean or appropriate administrator.

The School Board of Charlotte County strongly believes that academic honesty must be practiced by all its students. Therefore, instances of cheating in any form will be considered a critical breach of character and integrity as well as a serious violation of the *Code of Student Conduct*.

Cheating is defined in the Charlotte County Public Schools in the following way:

"The inappropriate and deliberate distribution or use of information, notes, materials, or work of another person, used as your own, in the completion of an academic exam, test or assignment."

Cheating violations may result in the loss of eligibility for local scholarships, loss of honors, awards, and membership in extra-curricular activities. In addition, a student whose actions enable others to cheat (e.g., stealing or selling a test) will be considered to have committed a particularly serious violation of the *Code of Student Conduct* which will result in **the strongest of consequences related to the nature of the incident including, but not limited to loss of assignment credit if applicable, referral to law enforcement.**

My signature on this form indicates that I have read and understand the School Board's policy concerning academic honesty.
